

# BIZI TRANSPORT INC.

---

## Heavy Duty Mechanic

### Job description

*3rd Year Journeyman/Journeywoman or Red Seal Mechanic – Edmonton Location*

Bizi Transport Inc. is a specialized provider of transportation services in the Oil and Gas industry serving all western provinces since the fall of 2012. We offer transportation services for Frac Sand, Fluids, Molten Sulphur, Sand, Nitrogen, Acid, Flat Deck work and numerous other product lines.

The ideal HD Mechanic will be a self-motivated, energetic, team player who can mentor and lead our apprentices, present a professional attitude and contribute to our culture of inclusion and diversity. Flexibility and the ability to travel to include service truck duties will be required with this position.

### RESPONSIBILITIES & DUTIES

- ♣ Service & repair semis and trailers;
- ♣ Perform preventative maintenance;
- ♣ Work with drivers to understand their concerns and properly diagnose any issues;
- ♣ Troubleshoot & inspect equipment to detect faults and malfunctions, determining repairs as needed;
- ♣ Perform rebuilds as required;
- ♣ Test equipment for proper performance;
- ♣ Repair to manufacturer's specifications;
- ♣ Organize & maintain shop;
- ♣ Order parts, supplies, write and manage work orders.

### QUALIFICATIONS

- ♣ 3rd Year Journeyman/Journeywoman / Red Seal HD Mechanic;
- ♣ CVIP Inspection License;
- ♣ Valid Class 5 with good driving record;
- ♣ Computer literate with experience in Microsoft Office and Internet-based web access is a plus;
- ♣ A demonstrated willingness to get the job done right, a strong work ethic and a positive attitude for following procedure, asking questions and working safely.

### TRAINING REQUIREMENTS

- ♣ Pre-employment Drug & Alcohol Testing
- ♣ Standard First Aid & CPR
- ♣ Complete in-house WHMIS, TDG, Federal Hours of Service training

All potential candidates will be screened prior to interviews. Please email resumes to [hr@bizitransport.com](mailto:hr@bizitransport.com).
